

# GENERATING THE NEXT GENERATION

Proverbs 17:6  
Pew Bible, page 444  
Dr. Dale Wicker

Children are not \_\_\_\_\_ to repeat the devotion—or lack of devotion—of their parents, but they are \_\_\_\_\_ to follow after them.

## 3 generations equals a pattern

### Grandparents

Your life is more about looking \_\_\_\_\_ than looking \_\_\_\_\_—except when looking at your grandchildren.

### Wearing the crown of grandkids

- 1.
- 2.
- 3.

### Parents

Your kids will grow up \_\_\_\_\_ than you think. You are \_\_\_\_\_ your \_\_\_\_\_.

### Children (including grandchildren)

Your parents are \_\_\_\_\_ than you; your grandparents are \_\_\_\_\_.

## Past, present and future in one verse

- 1 generation is a \_\_\_\_\_  
2 generations is a \_\_\_\_\_  
3 generations is a \_\_\_\_\_

 Generating the next generation is rarely based on \_\_\_\_\_ . It happens through \_\_\_\_\_ .
